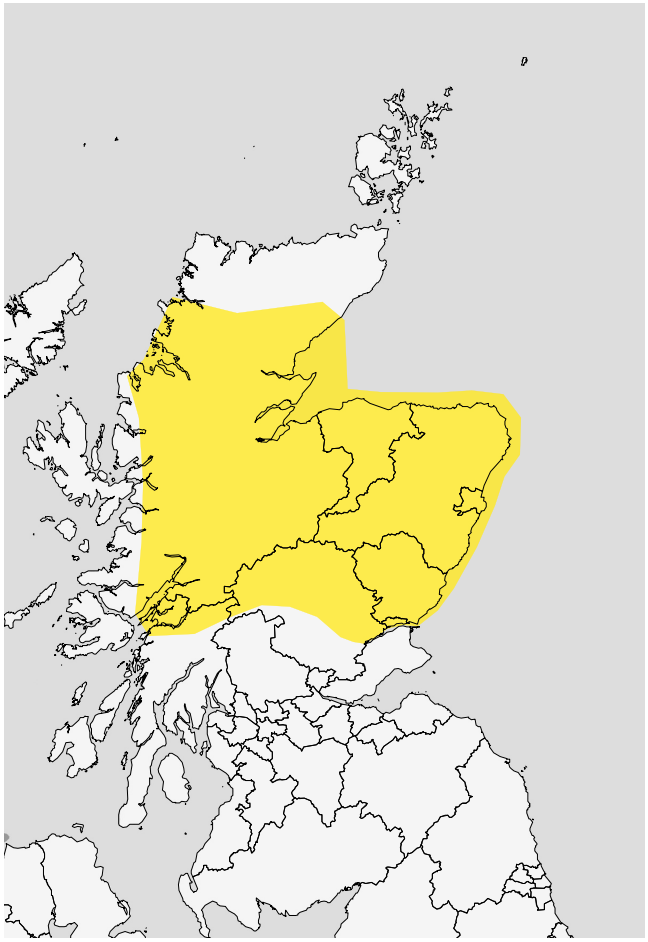
Rain

Between
06:00 Sun 8 Oct 2023 and
15:00 Sun 8 Oct 2023



Further rain on Sunday is likely to cause disruption and flooding in a few places

What to expect

- Homes and businesses could be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is possible, causing a danger to life
- Further delays or cancellations to train and bus services are possible
- Spray and flooding will lead to difficult driving conditions and some road closures
- Some communities may remain cut off by flooded roads
- Possible power cuts and loss of other services to some homes and businesses

Further details

Another spell of heavy rain is expected to move east across northern Scotland during Sunday morning and clear during the afternoon. A further 20-30 mm of rain could fall fairly widely within the warning area with a few places seeing 40-50 mm, with much of this falling in a 6-9 hour period.
